MARRIAGE QUESTIONNAIRE

The Session of First Presbyterian Church aspires to uphold the sacredness of marriage as outlined in Scripture. We desire that anyone married in the church building share our view of the sanctity of marriage. Scripture requires that those couples who are to be united in marriage be equally yoked.

Therefore, we ask that you complete the following questionnaire so that the information you give may be used to assess your request for marriage at First Presbyterian Church. All information will be held in confidence and will not be discussed beyond the confines of the Session of this church.

When the interviewing elder has received your completed questionnaire, he will review it and will contact you by phone to meet for an interview.
